## MEET PASTOR ED TANDY MCGLASSON

Ed Tandy McGlasson is the founder and executive director of The Blessing of The Father Ministries. Ed has been a Lead pastor, evangelists church planter, best-selling author, renowned conference and event speaker, and a five-year veteran in the National Football League with the Giants, the Jets, and the Rams.

Ed encountered Jesus in college after a career-ending injury to his left knee when a man named Bill came to his dorm room about the love, power, and forgiveness of Jesus. Ed asked Jesus into his life that night, and before Bill left, he prayed for Ed's injured knee. The next day his doctor canceled the scheduled surgery, confirming the healing of his knee.

Ed wrote his first book "The Difference A Father Makes" in 2004, which became a best-seller, with over 283,000 books sold. He tells his story about how God took a boy who lost his father in a tragic military plane crash and transformed him into the father his kids needed. He has also authored two other highly acclaimed books: Be Loved (2009) and The Father You've Always Wanted (2013) and his latest small group series called: The Blessing of the Father for Families (2018).

Ed has been a sought after event and conference speaker for the last 26 years who loves connecting every person he meets to Jesus so that they can experience the Blessing of God the Father to bring love, hope, healing, and reconciliation to their lives and families.

Ed and his wife of 37 years, Jill, live in Southern California and have five adult children with three more sons and daughters in love through marriage, and five grandchildren with one more granddaughter on the way!

## CUSTOM FAMILY CONFERENCES:

Are you looking for a weekend event that brings healing to all the different people groups in your church? Ed's unique gifting as an Evangelist and Lead Pastor brings his 26 years of pastoring to serve the vision that God has given you for your city.

What does a typical weekend event look like? It starts with a conference focus for either men, women, couples, or all family, which usually runs from Friday night through Saturday with a coaching session during lunch. We do an evangelistic "Blessing of the Father" message at your Sunday services, including ministry time for everyone. We have seen tens of thousands of people saved at each event when they discover the salvation and blessing that Jesus brings from His Father!

## MEN'S CONFERENCES:

Pastor Ed has been a sought-after presenter of the "Blessing of the Father" message at men's conferences for over 23 years. He meets men from all over the world who want to be good men and good fathers, but their dads were either broken or missing from their story. Many men feel alone and ill-equipped to be the man, husband, and father. They feel stuck and want to change but don't know how. Jesus came not only to save and give new beginnings, He also came to connect us with His Father who loves to bless and equip the men, husbands, and fathers our families need.

### **Men will learn to:**

1. Become the man and father God has called him to be
2. Receive the Blessing of the Father for themselves
3. Live out their true identity as the beloved Sons of the Father
4. Restore their broken relationships with their kids

## WOMEN'S CONFERENCES:

Are you looking for an event that will bring healing to the wounds many of our girls carry from broken dads and bad men in their stories? Pastor Ed has discovered that women bear the same kind of father wound as men do. When a girl's relationship with the first man in her story - her father - causes pain or heartbreak, it leads her to carry that brokenness into her relationships with other men, her husband, and her children.

### Women will learn too:

1. Receive the love of the Father for themselves
2. Heal from the wounds of bad men and boys
3. Receive their true identity as beloved, kingdom daughter
4. Bless their man and children

## MARRIAGE/COUPLES CONFERENCES:

Are you looking for a couples event that equips to love one another the same way God, the Father, loves us? I coach couples every week that started their relationship still carrying the hurt and wounds from their family - especially from their fathers.

### Couples will learn to:

1. Receive the Blessing of the Father
2. Discover their true identity in the Father
3. Build a culture of mercy and forgiveness
4. Bless their spouse with their words
5. Re-light the sparks of romance

## TESTIMONIES

Ed, thank you for the powerful message! The weight you lifted last night is far, far greater than any NFL record could come near! Seeing a room filled with men with arm's outstretched to receive the will of God being called to be leaders, starting in their own homes was great! Micah 6:8 coming to life!

The first time I was blessed by the ministry of Ed Tandy McGlasson was about 20 years ago at a Vineyard men's conference in the mountains of central California. The conference was a new experience for the 60+ men in attendance and final night of the conference was extraordinary. Not only did we receive a call as men but God also humbled us. There wasn't a dry eye in the room. I will never forget that night. I know it changed my life.

I am a father of two daughters and one son, ages 9, 5 and 10 months respectively. I struggle every day to be the man that God wants me to be and the father I know my children need. My grandmother gave me your book as a gift and I couldn't believe the tears that began to well up inside me after I began to read the first few pages. I guess the whole reason I'm writing this is to say "thank you" for writing a book that keeps me motivated and helps me better understand my role.

I grew up without my dad around and now my kids are growing up without their dads. I am going to show them how much God and I both love them and break this cycle of looking for love outside of God! Truly, an amazing message!

Ed Tandy McGlasson gives a great message on being a father challenged me to be the father that Jesus has called me to be.

Ed, Thank you for following Gods plan for your life to touch mine. I am the father to three wonderful kids now and we are adopting a sibling group of three kids from Colombia soon. I want to thank you for the weekend conference at Kansas City and making a tough old running back cry like a baby! I am reading your material and plan to improve my fathering abilities through your help. God bless you and thanks again.

# THERE IS A MIGHTY MOVEMENT OF MEN HAPPENING!

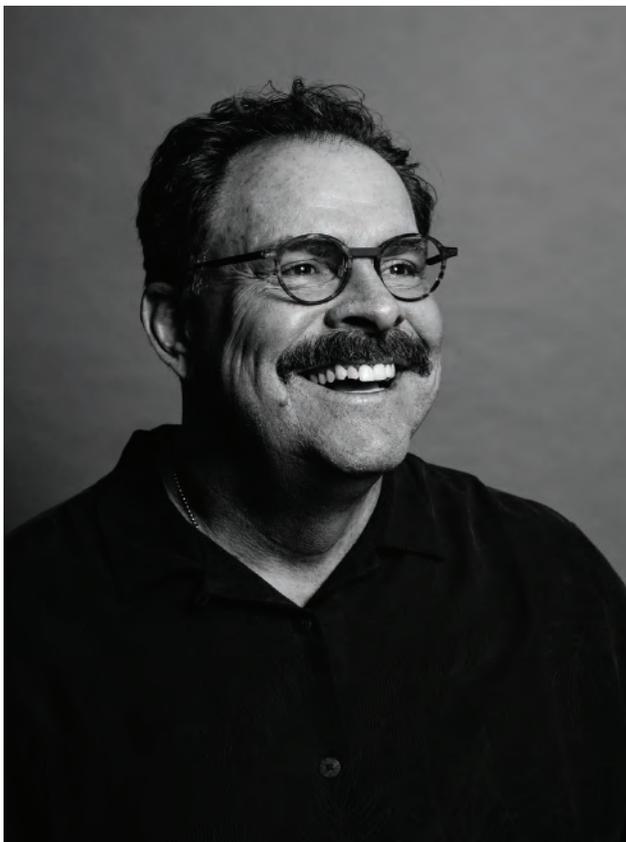

He promises in Malachi, "... I will send you Elijah the prophet before the great and awesome day of the LORD comes. And he will turn the hearts of fathers to their children and the hearts of children to their fathers, lest I come and strike the land with a decree of utter destruction."  
(Mal. 4:5-6 ESV)

God is calling fathers all over the world to come back to their families. Godly men and good fathers are Gods healing plan for our world.

Don't ever forget Pastor, that Jesus has raised you up to be a spiritual father in your church and for your city. It is never too late for God to transform or stories!

in His Service,

*Ed Tandy McGlasson*
